LEED & Mostadam Material Review Questionnaire

Jeddah Central Oceanarium

Manufacture And Product Information	
Submittal Ref. No:	JCD-OCN-MBL-PRO-MTS-0411-00
Location of use:	Flooring
Material Subject:	Jotafloor Easyflow Primer HS
Rev.No:	Rev 00
Manufacturer:	Jotun Saudi Limited
Supplier/Sub-con:	Jotun Saudi Limited
Country of Origin:	Norway
Contact Person Name:	Khalid EL Telbani
Mobile No:	

For All Materials		
Credit Reference	**Required Documents / Parameters**	**Select Yes/No/NA/Value**
MRc2: Building Product Disclosure and Optimization - Environmental Product Declarations	1) Environmental Product Declaration (EPD): Provide any of the below: a) Manufacturer declared life-cycle assessment with at least a cradle to gate scope. b) Manufacturer reviewed product specific Type III EPD with at least a cradle to gate scope c) Third party verified industry-wide Type III EPD with at least a cradle to gate scope.	**YES**
MRc2: Building Product Disclosure and Optimization - Environmental Product Declarations	2) Embodied Carbon/LCA Optimization: Provide manufactures prepared Embodied Carbon/LCA Action Plan demonstrating reduction in embodied carbon with at least reduction in GWP.	
MRc3:Building Product Disclosure and Optimization - Sourcing of Raw Materials	1) A manufacturer declaration/third party certificate stating the % of post-consumer and % of pre-consumer recycled content. Note: Waste reuse from the same production line should be excluded. 2) If applicable, a manufacturer letter stating the products sourced (extracted, manufactured and purchased) is within 160 km of the project site.	
MRc3:Building Product Disclosure and Optimization - Sourcing of Raw Materials	3) Invoices/Purchase orders	
RC-01	1) Proof of manufacture in KSA, with at least one of the following conditions: - Extracted in KSA - Manufactured in KSA - Final point of assembly in KSA	**NO** Proof on KSA manufacturing was not found - to be provided in the next stage.
RC-01	2) Invoices/Purchase orders	

Credit Reference	Required Documents / Parameters	Select Yes/No/NA/Value
MRc4: Building Product Disclosure and Optimization - Material Ingredients	Provide any of below documentation: - Cradle to Cradle (C2C): Material Health Certificate or is Cradle to Cradle Certified™ Bronze level or higher. - Declare: Designated as Red List Free, LBC Red List Free, or Declared, LBC Red List Approved or LBC Compliant - Global Green Tag or Health Product Declaration (HPDs). Material Ingredient Optimization: Provide anyone of below: - Manufacturer prepared REACH report or PHD Report verified by Global Green TAG - Manufacturer prepared material ingredient screening and Optimization Action Plan - Third party verified Advanced Inventory & Assessment - Third party verified Material Ingredient Optimization	

Material Requirements

Material Type	Credit Reference	Required Documents / Parameters	Select Yes/No/NA/Value
Paints & Coatings	IEQc2: Low-Emitting Materials / HC-11	1) Data sheet or Test Report for Product VOC Content (g/l) complying with the VOC content requirements for wet-applied products AND 2) General emission certificate as per CDPH Standard Method v1,1 or v1.2 2017 with testing lab accreditation under ISO/IEC 17025.	**YES: 45 g/L** Jotun-VOC-content-test-2022.pdf (issued 2022-03-01, expired 2025-03-01) RISE-CDPH-emission-report-O100152.pdf (issued 2023-05-12, expired 2026-05-12)
Carpet, Hard Flooring	IEQc2: Low-Emitting Materials	General emission certificate as per CDPH Standard Method v1.1 or v1.2 with testing lab accreditation under ISO/IEC 17025.	

Manufacturer/Supplier Statement

We hereby confirm that all listed documents are provided and in compliance with the project sustainability requirements.

Contractor Sustainability Consultant Remarks

The proposed material is Applicable / Not Applicable to the project sustainability requirements.

Provided Documents:
1. BOQ line: BOQ-line-flooring.pdf
2. Jotun-VOC-content-test-2022.pdf
3. RISE-CDPH-emission-report-O100152.pdf

Comments (if any):
Provided documents: 1. EPD 2. VOC emissions test report & content test reports.
VOC content is expired; an updated test report shall be provided.

Status: C - Revise and resubmit
